

This is what can happen when environmental protection and economic potential meet. We are proud to have jumpstarted this program and extremely impressed with the continued success of the partnership between our client and Audubon. This story is due this week to be featured on NBC Nightly News and the Today Show. Not bad for “free” marketing of our client’s development! Is there something Crossroads Environmental can do for you? Maybe we can have a success story for you as well!

msnbc.com: Florida golf development, eagles co-exist

**Florida golf development, eagles co-exist
Bobby Ginn gave up the nicest lots in his luxury golf course
community to a couple that just flew in and made themselves at
home: eagles that were so happy they later had babies.**
